CUPID'S SHEPHERD.
A man Cupid went sleighing:
Grew frozen enough,
And tried to creep into
Elizabeth's muff.
He argued, "Now, surely
There's room for us all;
Her hands are so little,
And I am so small."
But here's why he chuckled
In gleeful surprise:
He found two hands in it
Of different size.

Mrs. Mary Smith has sued Ezekiel Smith for divorce. They were married in 1899.

Mr. Walter C. Wormald is again confined by illness at his home in West Fourth street.

Miss Martha E. Moore of Louisville is in the city for a few days, stopping at the New Central Hotel.

Mrs. Joseph H. Brown moved to Dover yesterday. This estimable lady made many friends during her residence here who reluctantly parted with her.

Revs. E. W. Elliott of Eminence and W. H. Alton of Lexington are holding a meeting at the Mayslick Christian Church. Services at 10:30 a. m. and 7 p. m., with Rev. Elliott in the pulpit.

All members of Company L, Second Infantry, K. S. G., are commanded to meet at the Armory Friday night, February 19th.

J. A. Donson,
First Lieutenant Commanding Co.

The hotly contested, long drawn out and stubbornly fought legal battle of Carpenter vs. Davis was brought to a close yesterday, the defendant being awarded the first round. The case will be carried to the Court of Appeals.

Mr. W. H. Means has bought of H. H. Hoffman of Cincinnati the Fox Springs property in Fleming county for \$375 cash. In her palmy days Fox Springs was one of the noted wintering places of the country, and was visited by hundreds of people each summer.

Judge John D. Carroll of Newcastle is in the city and will sit as trial judge in the case of Peter McCabo's administratrix against the Maysville and Big Sandy Railroad Company. The Judge was appointed by Governor Beckham. The case will come up in Court today.

MURPHY, the Jeweler.

The new brickyard at the Fairgrounds is fast approaching completion. The grand stand has been cut down sixteen feet and other modifications made. Where once the hoof-beats of the thoroughbred quickened the heartbeats of the sport, the hum of honest industry will soon have full sway.

The funeral of Mr. Edward Glenn took place this morning at 9 o'clock from St. Patrick's Church after High Mass, Rev. Father P. M. Jones officiating. The funeral was under the auspices of the Knights of St. John, of which the deceased was a member. Interment at Washington.

Yesterday noon a transfer wagon loaded with paraphernalia belonging to the Chaperons was hauled to the L. and N. Depot. Was it because the Washington Opera-house stage was not large enough for the setting, or rather that the hayseeds in this city were not used or entitled to the best, even though they did pay \$1.50 per capita?

"The Chaperons" drew a large crowd at the Opera-house last evening and gave a performance satisfactory in every respect. The company is a large one, the chorus has many fine voices, and the production as a whole is very entertaining. The costuming was elegant, and the scenery in keeping with the many other good points of the troupe.

Miss Lucy Lee Mahan, the evangelist, who has been sick at the residence of Mr. James Ingram in Houston avenue for the past ten days, is now convalescent, and will leave in a few days for West Liberty, where she will participate in a protracted meeting. This good woman has made many friends during her stay in the city and who were attentive and kind to the evangelist during her illness.

THE TOBACCO FAIR

Will bring a large crowd this week. They will be welcomed royally. Let us have your orders a day or two in advance so we can supply you with just what you want.

DR. W. G. MCCREADY

Pastor of the Church of the Nativity Called to Maryland

The Rev. W. G. McCready, for the past few months the popular Pastor of the Church of the Nativity, has been extended a call to the Episcopal Church at Easton, a flourishing city on the Eastern shore of Maryland.

Dr. McCready has not yet accepted the call, but will leave tomorrow for that place to look over the field.

The Reverend gentleman is one of Maysville's most successful Ministers, and should be decided to leave the city his departure would be generally regretted.

MASON'S ASSESSMENT

Creditable Showing Made By Report of Board of Tax Examiners

Mason county is considered among the wealthy counties in the state, and the report of the Board of Tax Examiners bears the assertion out to some extent.

The taxable property in the county totals up \$9,459,281.

The city comes up with a very creditable showing.

The wealth by Wards is as follows—
First Ward \$ 304,415
Second Ward 637,888
Third Ward 777,105
Fourth Ward 386,550
Fifth Ward 338,495
Sixth Ward 160,435
Total \$2,700,888

The colored people are represented by \$40,065, making a grand total of \$2,740,953.

AN ELEGANT HORN

That of the Late John I. Mathews Being Thoroughly Cleaned

The finest cornet in the state, perhaps, is in the possession of Postmaster Clarence Mathews. It was presented to his deceased brother, John I. Mathews.

It was presented to the world-renowned cornetist, A. Liberati, at West End, New Orleans, La., Jan. 30th, 1883, by C. G. Conn.

Some years later Mr. Liberati, in recognition of his high standard as a cornetist, presented the instrument to Mr. Mathews with his compliments while the latter was playing an engagement in Lexington.

The horn is being cleaned and put in proper shape by Mr. James Outten, and when thoroughly renovated it will be placed in a safety vault for safe keeping.

It is valued very highly as an heirloom that money cannot buy.

HORRIBLY BURNED

Two-Year-Old Colored Child Almost Roasted Yesterday

Yesterday morning about 10 o'clock a two-year-old infant of Robert and Eva Brandy, who live in East Fourth street, Fleming pike, was burned by its clothing catching fire by an open grate, in such a serious manner that it can scarcely survive.

Another child about four years old had its dress almost burned off at the same time, but escaped without injury.

The mother is compelled to work away from home and had left the smaller children in charge of an older daughter, who left the house to visit a neighbor, and during her absence the accident happened.

Had it not been for the prompt assistance rendered by the neighbors there would have been a regular holocaust; as it is, one death is likely to result from it.

The Brandy's are respectable colored people, who have the sympathy of the community in which they live.

Mr. Samuel Middleman of Cincinnati has opened a Junk Shop in Wall street, where he is prepared to receive and pay the highest cash price for old iron, rags, bottles and all kinds of Junk.

The famous little pills known as Dr. Williams' Little Early Risers not only cleanse the system but they strengthen the action of the liver and rebuild the tissues supporting that organ. Little Early Risers are easy to act, they never gripe and yet they are absolutely certain to produce results that are satisfactory in all cases. Sold by J. Jas. Wood & Son, Druggists.

The Most Beautiful Cotton Goods Ever Displayed

That's a pretty broad claim but it is entirely warranted by facts. The fabrics are the closest imitations of woolen goods we ever saw. There was a handsome wool pattern displayed in town last week at a \$1.25 a yard which we match in cotton goods, color, pattern and weave, for 25c a yard. It doesn't seem fair to copy so closely the aristocratic wools in cotton. Prices 15c to 50c.

"It is the law of American politics that no man can make himself a candidate for President, and no man can prevent himself from being a candidate for President."—From a statement made by the late James O. Blaine

The death of Senator MARCUS ALONZO HANNA removes the most prominent figure in American politics.

Had he lived, and had he so desired,—or indeed perhaps without so much as openly expressing that desire,—he could, and most probably would, have been the next Republican nominee for the Presidency.

His death at this time is a public calamity; and while his place will be hard to fill, it is a misjudgment of the American character to say that there is no one who can supply it.

River News

The river is falling fast.

The Monongahela and Allegheny rivers are both frozen over.

The old reliable Courier was in and out yesterday, doing a good business both ways.

A large number of model barges are loaded with manufactured products at Pittsburgh for the Southern markets.

There is plenty of snow throughout the entire watershed of the Ohio river, and a good rain would make things lively along the stream.

The ice in the river at this point is very heavy, the floes increasing in size, and should the cold weather continue much longer the old stream will certainly close.

There is a splendid boating stage on in the Ohio, notwithstanding its rapid decline, and if it was clear of ice the packets would have all the business they could handle.

With about 20,000,000 bushels of coal at Pittsburgh awaiting a rise sufficient to float it in safety, and with several thousand idle men wishing for the rise to come, business is anything but booming along the river front at the Smoky City.

The A. R. Budd Company is raising twenty-eight barges that are sunk in the channel between the point bridge and McKee's Rocks near Pittsburgh. They were sunk during the recent floods, when the ice cut them loose from the fleets in the harbor. Many of the barges are wrecked, and it is impossible to raise them. These are being broken to pieces and the coal scattered so that the channel will be free of obstructions.

A HINT TO THE WISE.

This Advice Will Bear Repeating in Maysville.

"Don't chase shadows." Doubtful proof is but a shadow. You can rely on the testimony of people you know. You can investigate local evidence. Mr. W. H. Campbell of 400 West Third street says: "Donn's Kidney Pills sold at J. Jas. Wood & Son's drugstore, corner of West Second and Market streets, proved to be a wonderfully effective remedy for relieving and curing kidney troubles. It is a great boon to people on the down grade of life to know of a remedy which has such soothing and healing powers. It should be known to every person of advanced age." For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Donn's—and take no substitute.

THAT American sentiment is largely with the heroic little Japs in their apparently unequal contest with the Muscovites, was shown in a meeting in New York a few nights ago when \$5,000,000 was pledged to the plucky "Yankees of the Orient."

OF course, THE LEDGER regrets to hear that Fourth Assistant Postmaster General Bristow is sick; but the fact that the highest Court in the District of Columbia is dismissing the people he had charged with fraud as fast as the testimony is heard, is enough to sicken even a greater jayhawker than the Fleming-county-Kansas boor.

In an article on politics in Kentucky, The Lexington Herald, one of the ablest Democratic papers in the state, hits the tack on the head with a trip-hammer—

"At Frankfort, Democracy means to take by legislation offices from Republicans and give them to Democrats; and whenever a measure is proposed the question asked and answered is, how will it affect certain factions in that county or city or district."

The truth could not be more fully told in a ten-column article.

GENERAL E. C. AINSWORTH, Chief of the Record and Pension Office of the War Department, in discussing the merits of Civil Service before the House Committee on Reform in the Civil Service, predicted that a Civil pension list for superannuated civil employees of the Government is one of the certainties of the future. That's it; fasten a lot of incompetent employees on the Government as long as they can draw their salaries, and then pension them as long as they can draw their breath. That's real, genuine Rooseveltian Snivel Service Reform for you!

Dr. R. Goldstein, the Louisville man who formerly came to Maysville in the spectacle business, has been indicted by the Adair County Grand Jury for detaining a woman against her will. He gave bond, and skipped out when he realized the serious nature of his offense.

The Smith & Nixon Piano Co.

Offers the following facts for your consideration, BASED UPON THEIR EXPERIENCE SINCE 1832: A large property left to your children may be by them frittered away or lost through misfortune. In accumulating this large property you will strain every nerve and sacrifice every pleasure. Returning to your home of an evening, tired and worn out with the day's trials, you thoughtfully realize that should your loved ones, through misfortune or extravagance, lose the results of your life's labor, your life struggle would indeed be wasted.

Why not give your family something that they cannot lose? Why not devote a part of your efforts to giving your children a musical education? Wealth may take wings, but the education remains. THE ONLY INSTRUMENT capable of expressing musical ideas in their entirety is the PIANO. A high grade piano combines rhythm, as expressed by the drum, cymbals and other percussion instruments, with melody, as expressed by stringed instruments, and the combination effects a delicious harmony of melodious sounds.

Why not invest a part of your earnings in a good piano? Give your family a musical education, and besides the pleasure that you will derive from seeing your loved ones seated at a piano and learning the sweet music you will have this consolation, viz: If through misfortune their wealth takes wings they will always have a good income in the musical education that you was careful enough to give them.

COMBINE PLEASURE WITH WISDOM. Music will certainly charm away dull care. To provide your family with a piano and musical education is certainly wise. The consolation of knowing that your loved ones need never suffer is certainly a relief.

The Smith & Nixon Piano Co. submits these thoughts and asks you to look at their superb pianos at

Stop... Coughing

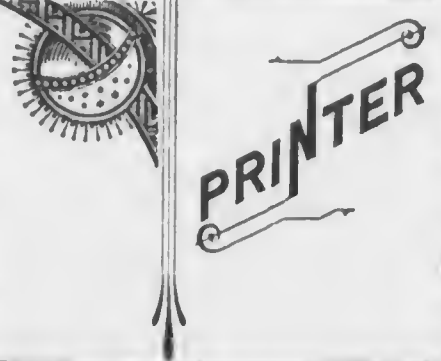

This is not a command only a suggestion. We suggest that you stop that slight cough that first becomes too fat. Oh, it is only a slight cough; it will soon wear off. The cough grows worse, and they have to resort to strong medicine and perhaps have a long sickness. If in the beginning they had used a mild remedy they would have saved themselves and others a great deal of trouble and expense. There is nothing so annoying as a hacking cough; it is of only a few days but is enough to disturb the nerves and annoy every one who is in hearing. To those who are troubled with a cough we suggest a bottle of...

CLAY CLEMENT IN "THE NEW DOMINION."

"The New Dominion" is a delightful American love story, pure in tone, elevating in character and charming in simplicity. There is no gushing sentimentality in it, the incidents all breathe an air of purity and refinement. The story is like the budding and gradual unfolding of a beautiful flower, in a pure atmosphere, at times exhilarated by rays of sunshine, at others shrouded in temporary gloom or chilled by passing showers. Mr. Clement has surrounded himself with a metropolitan company of unusual strength and has paid strict attention to each minor detail. "The New Dominion" has been equipped with an adequate scenic environment and will be presented in a complete and artistic manner at the Opera-house on next Saturday evening. Sale of seats opens at Ray's Thursday morning.

SENATOR M. A. HANNA.

The Country Today Mourns Loss of Its First Statesman.

Succumbs to Attack of Typhoid Fever—Public Funeral in Washington Today—Interment at Cleveland.

Senator Marcus Alonzo Hanna died at 6:40 o'clock Monday evening at the family apartment, in the Arlington Hotel in Washington City, after an illness extending over nearly two months, filled with apparent recoveries, followed by relapses and finally drifting into typhoid fever, which, in his weakened condition, he was unable to withstand.

During the two days previous life had been kept in Senator Hanna's body only by the use of powerful stimulants.

Senator Hanna was born at New Lisbon, now Abopol, O., September 24th, 1837. He was educated in the Common Schools and Western Reserve College, and took the Degree of LL.D. at Kenyon College in 1900. On September 7th, 1864, he married Miss C. Augusta, daughter of D. P. Rhodes of Cleveland. Mr. Hanna became an employee of and later partner in the wholesale grocery house until 1867, and at the time of his death was at the head of M. A. Hanna & Co., coal merchants; Director of the Globe Ship Manufacturing Company; President of the Union National Bank and President of the Cleveland City Railway Company—all of Cleveland; he was also President of the Chapin Mining Company of Lake Superior. He directed the campaigns which secured the nomination and election and re-election of William McKinley as President, and had been Chairman of the National Republican Committee since 1896. In 1897 he was elected United States Senator from Ohio, being honored a second time with the office, the present term for which he was elected extending into 1905.

In Senator Hanna's death the business world loses one of its most energetic and conservative adherents, and his political party its best friend, adviser, promoter and champion.

A public funeral service will be held in the Senate chamber at noon today, after which the body will be taken to Cleveland for the final services and interment.

A Mother's Recommendation.

I have not words to express my confidence in this remedy.—Mrs. J. A. Moore, North Star, Mich. For sale by J. J. Wood & Son.

A LETTER TO MOTHERS.

All Maysville Women Should be Interested.

Mrs. Charles Perry of Glenn Falls, N. Y., writes: "I wish I could induce every mother who has a weak, sickly child to try that delicious cod liver oil preparation, Vinol. We were so worried about our little daughter—she had lost flesh, was thin, pale and sickly, and nothing seemed to do her any good. Having heard of Vinol we decided to try it, and the results were

marvellous. Her appetite has been restored and she is gaining in weight right along, the color has returned to her cheeks and she seems stronger than she has for years."

Every mother in Maysville is asked to try Vinol on our guarantee to make children robust, strong and healthy or return money if it fails. Vinol is a pure cod liver oil preparation, but without a drop of oil to upset the stomach and retard its work. It is delicious to the taste and children love it. It does not taste, nor look, nor smell like a cod liver preparation—yet it is. We have never sold anything in our store equal to Vinol to create strength for old people, weak, sickly women and children. J. C. Pecor, Druggist.

A HAPPY MOTHER

WEATHERFORD, TEXAS. May 14, 1902.

Before my baby was born I was in great misery. I was just able to be about but just as soon as I began to take Wine of Cardui, which had been recommended to me, I felt much better. In fact I feel that if it had not been for this medicine I would not have been strong enough to live through childbirth. But that was made comparatively easy by taking your medicine for four months before baby came. Wine of Cardui restored my health as I took it two months afterward. I cannot speak too highly of Wine of Cardui and I am glad to endorse it.

Mrs. G. E. Wood
TREASURER, YOUNG MATRONS' CLUB.

Wine of Cardui is a powerful tonic which acts on the generative organs of women, regulating menstruation and giving tone and strength to the organs which inflammation and weakness have affected. It cures nineteen out of every twenty cases of bearing-down pains or ovarian trouble. Wine of Cardui cures barrenness and aids the mother in conserving her strength for the ordeal of childbirth. After that event the Wine prevents dangerous flooding and helps mothers to quick recovery. Wine of Cardui is the one medicine a mother should use before and after childbirth. All druggists sell \$1.00 bottles Wine of Cardui.

WINE OF CARDUI

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—tint is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Dr. Kilmer's Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Tendency of the Times.

The tendency of medical science is toward preventive measures. The best thought of the world is being given to the subject. It is easier and better to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most dangerous diseases that medical men have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pneumonia always results from a cold or from an attack of influenza (grip) and it has been observed that this remedy counteracts any tendency of these diseases toward pneumonia. This has been fully proven in many thousands of cases in which this remedy has been used during the great prevalence of colds and grip in recent years, and can be relied upon with implicit confidence. Pneumonia often results from a slight cold when no danger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pains in the chest, then it is announced that the patient has pneumonia. Be on the safe side and take Chamberlain's Cough Remedy as soon as the cold is contracted. It always cures. For sale by J. Jas. Wood & Son.
